

2019 Events Sponsorship Proposal

Make a real difference...

and have fun doing it!

Sponsoring a Northwest Kidney Centers event provides you the unique opportunity to connect with the Pacific Northwest community, build brand awareness and show your company's support of three important causes: life-saving health care, education and groundbreaking research.

Each event reaches key audience segments and provides a fun and engaging way for you to “wow” clients, vendors and employees. Feel good about supporting our local community as you enjoy a remarkable time. **It's a win-win!**

Give back, build your brand, grow your impact in the community

When you support Northwest Kidney Centers, you help us set the standard for renal care in the Puget Sound region and beyond. **As the first out-of-hospital dialysis clinic in the world, we wrote the book on quality patient care.** In more than half a century since then, we've continued to lead the industry.

As a nonprofit, we reinvest your gifts to offer services above and beyond dialysis. We showcase those services at our two annual fundraising events, the **Breakfast of Hope** and **Discovery Gala**. When you join us as a sponsor, you can be proud of the difference you make!

2018 Community Impact

Dialysis technician Annabelle Perez checks in with Rajendra Kumar at the Elliott Bay clinic.

Northwest Kidney Centers is a regional, not-for-profit provider of kidney dialysis, public health education, and research into the causes and treatments of chronic kidney disease. Founded in Seattle in 1962, it was the world's first dialysis organization. It is known for high-quality services, deep community connections and generous donor support.

Our mission

To promote the optimal health, quality of life and independence of people with kidney disease through patient care, education and research.

Impact numbers

- 3** Rank among U.S. nonprofit dialysis providers, by size
- 17** Clinics as of December 31, 2018
- 3** Clinics opening this year: Fife, Burien and Rainier Beach
- 9** Hospital clients
- 276,500** Dialysis treatments last year
- 93** Kidney transplants last year, a record
- 24%** On the transplant wait list
- 47%** Patients in poverty (Medicaid qualified)

Growth in research

Every dollar raised generates \$13 more to support kidney research. Since the Kidney Research Institute was established in 2008:

- \$100M+** in grant support
- 1,000** peer reviewed publications
- 37** studies currently underway
