

# DISCOVERY — GALA —

**CREATING A WORLD OF POSSIBILITIES FOR KIDNEY CARE**

## Northwest Kidney Centers Discovery Gala

Social Media Toolkit 2022

## Introduction

Since 1962, Northwest Kidney Centers has led the way for kidney disease treatment and research. This year we celebrate 60 years of pioneering science, community outreach, and unsurpassed patient care.

Currently, more than 1 in 10 adult Americans has chronic kidney disease, and 1 in 3 adult Americans is at risk of developing kidney disease, which is most often the result of another health condition like diabetes or high blood pressure.

## About the Event

Northwest Kidney Centers' annual Discovery Gala will be held on October 15, 2022, from 6 - 10:30 pm at the Hyatt Regency Seattle. Our goal is to raise \$1 million to fight kidney disease through research and health equity.

In addition to an amazing live auction and raffle, this year's event will include a Muddlers & Shakers Contest as we partner amateurs (muddlers) with local mixologists who will compete to create a fun and tasty cocktail/mocktail!

### Schedule:

- 6:00 pm: Reception and Registration
- 6:45 pm: Muddlers & Shakers Contest
- 7:30 pm: Dinner and Auction
- Afterparty
